**Please continue to pray for: Christine Holland** to make a full recovery after breaking her arm and for peace in **Ukraine** and the **Middle East**. Also please pray for **Cuba** where a US embargo has resulted in the country running out of diesel and fuel oil which has meant lengthy power blackouts. Despite the hardships people are turning to God and there have been testimonies of miraculous healings. A solidarity grant of £15,000 from the UK Methodist Church means solar panels have been distributed to some vulnerable families as well as to local churches. Pray for the church in Cuba as it serves its communities, compassion among leaders in Cuba, the US and beyond, and for the sustaining presence of God for Cubans struggling with little or no electricity.

**Circuit Choir Concert** Thursday 4<sup>th</sup> June 12 noon at St Mary Magdalene Church, South Molton. Everyone is welcome.

**Rejoice Magazine** – the latest issue of our quarterly magazine with news from across our Methodist circuit is available now. Please leave a donation to cover print costs.
